PROFILE

I am a skilled Frontend Developer specializing in HTML5, CSS3, JavaScript, and Angular to create user-friendly and responsive web interfaces. With expertise in PSD to HTML, Bootstrap, and modern frameworks, I transform visually appealing designs into functional web applications. My experience includes working on ERP and CRM systems and implementing complex components using tools like PrimeNG and Swiper.js.

WORK EXPERIENCE

Meezotech   2021 - PRESENT
FRONTEND DEVELOPER

- Develop User Interfaces: Design and implement responsive, user-friendly, and visually appealing web interfaces using HTML5, CSS3, and JavaScript.
